About Our Company

Aura FMS, founded in 2005 by two seasoned management professionals and first-generation entrepreneurs, was born out of a deep understanding of workplace dynamics and the unique needs of different industries. Drawing on their keen observations and strategic insights gained from years of experience, they embarked on this venture to redefine facilities management and provide tailored solutions that truly resonate with businesses across sectors.

Headquartered in Mumbai with a PAN-India footprint, Aura FMS has established itself as a leading provider of comprehensive Facilities Management and Security Solutions.

The company offers a wide range of integrated services, including Cleaning and Janitorial Services, Specialized Cleaning, Pest Management, Technical Services, Staffing & Payroll Management, and Security Solutions. Aura FMS caters to a broad spectrum of sectors, such as Corporate Offices, Retail, Malls, Theatres, Banking and Financial Institutions, Real Estate, Infrastructure Projects, Hospitals, Housing Societies, Hotels, Educational Institutions, Industries, and Government Enterprises.

Why Choose Aura ?

We are convinced that our success stems not just from the quality of our services but from our dedication to upholding our core values.

Quality

We are dedicated to delivering superior services that guarantee customer satisfaction and build lasting loyalty.

Innovation

By embracing creativity and advancing technology, we continually aim to stay ahead of the curve and deliver cutting-edge solutions.

Integrity

Our operations are grounded in ethical conduct and transparency, which help build and maintain strong relationships with our clients and partners.

Customer-Centric Approach

Placing our client's needs at the center of our operations, we tailor our services to not only meet but exceed their expectations.

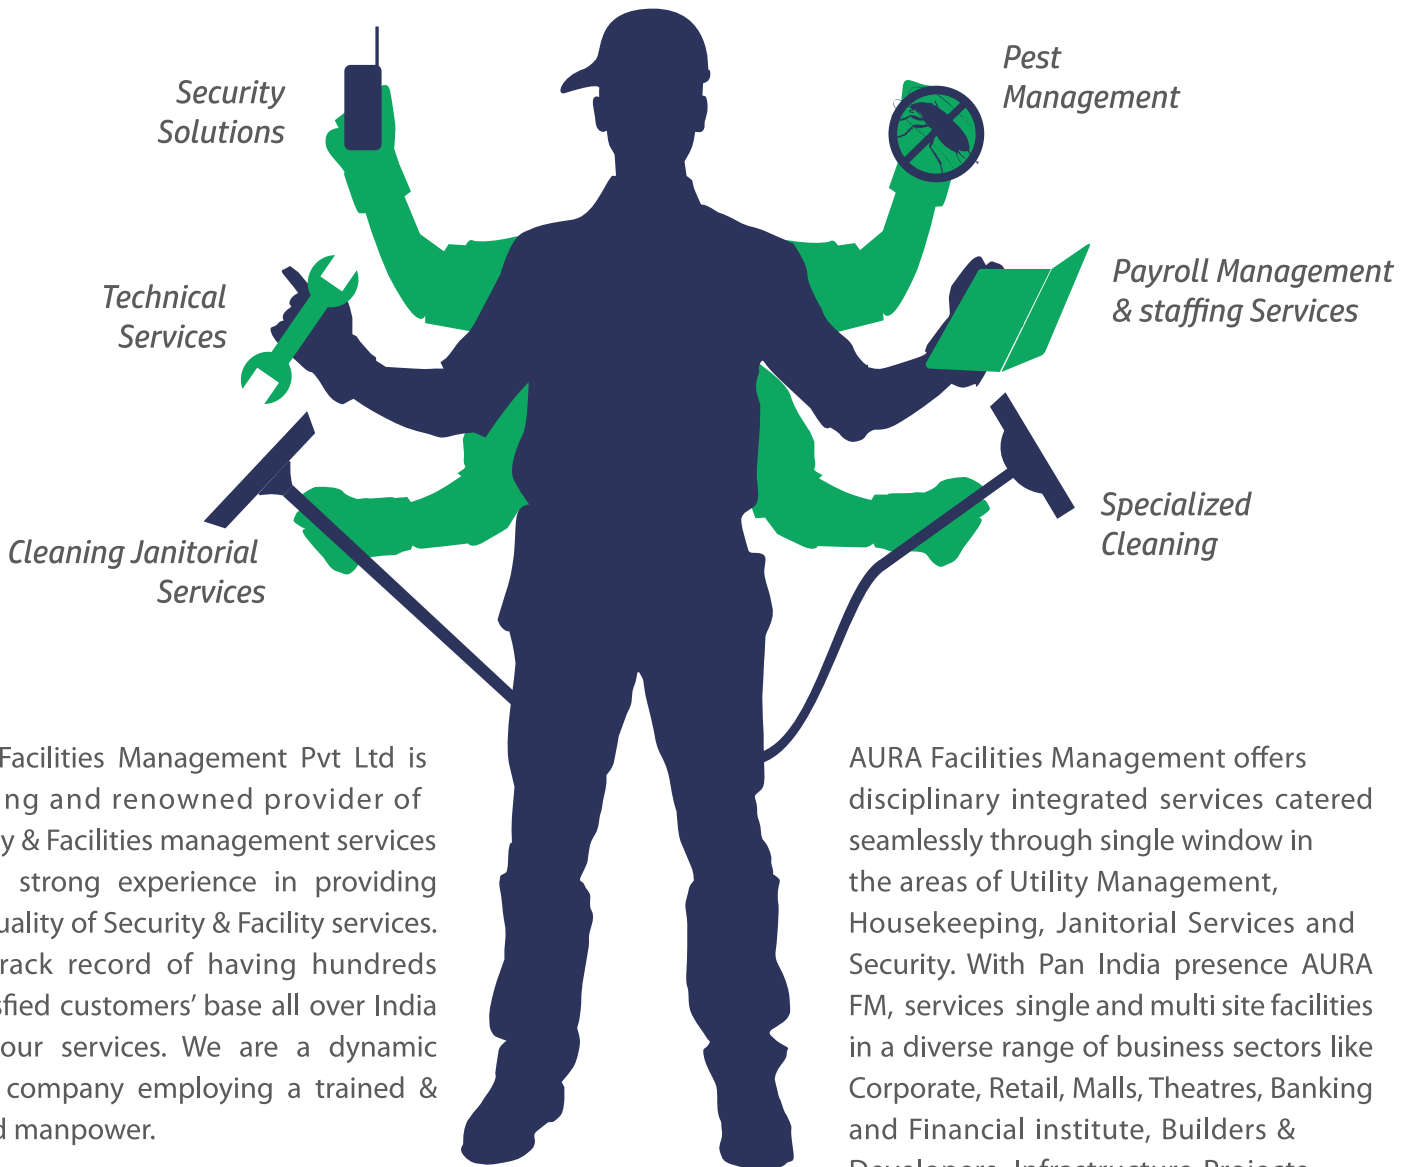

Diversity and Inclusion

We embrace diversity and cultivate an inclusive environment that encourages collaboration, creativity, and personal growth.

Sustainability

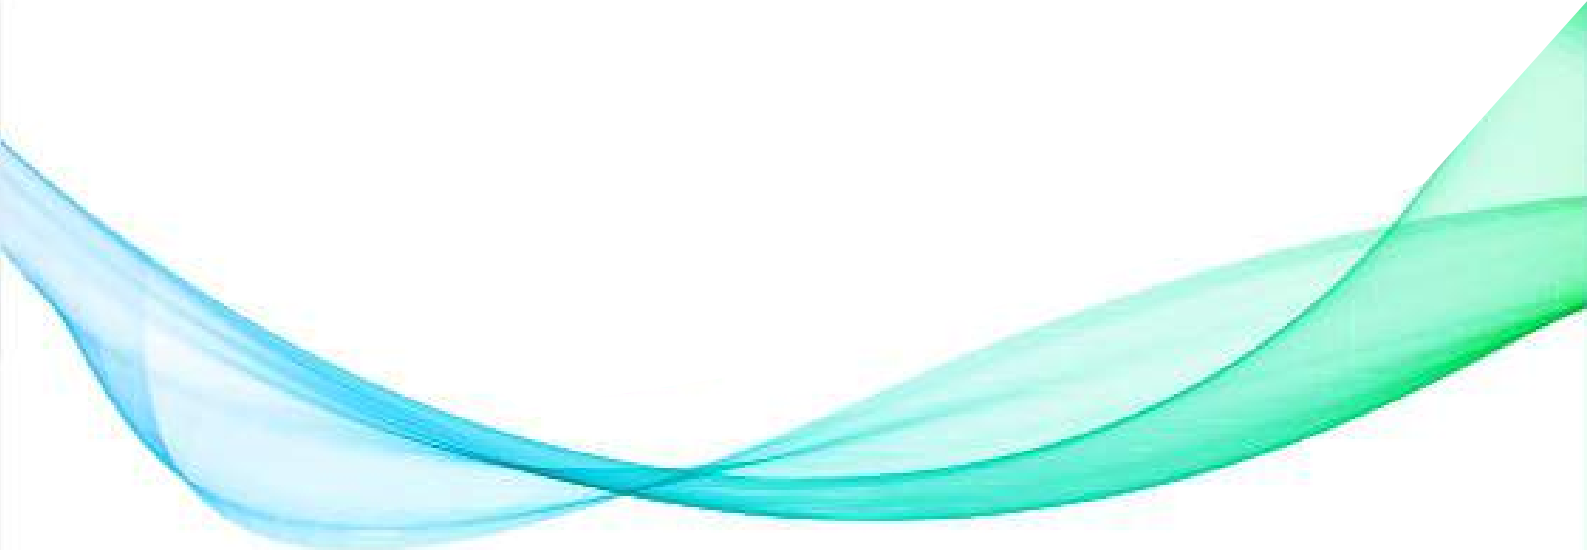

We are dedicated to reducing our environmental impact, promoting eco-friendly practices, and actively contributing to the well-being of our communities.
